Barkley Predicts Truman Return; G.O.P. Tax Crash

Oklahoma City, April 30 (AP)—Senator Alben Barkley of Kentucky, Democratic minority leader in the Senate, made three political predictions here last night:

1. President Truman will be re-elected.
2. The Republican-dominated Congress will have to cut its tax-cut promises after the election.
3. Despite southern threats of rebellion, the Democratic National Convention will endorse part of the Truman Civil Rights Program.

Barkley made the first two forecasts at the annual Jefferson-Jackson Day Dinner of Oklahoma Democrats, where he was the principal speaker. The third was made at a radio news conference.

Salvation Army Fund Appeal Is Set at \$6,000

The 1948 maintenance appeal of the Kingston Salvation Army will be launched on May 25, according to an announcement by Pratt Doice, chairman of the advisory board. The quota has been set at \$6,000 which is the deficit in an operating budget of approximately \$12,000 required to carry on the work of the local corps under the direction of Captain George Glibb. Dr. George C. Ritenbury, dentist of 272 Clinton avenue, will serve as general chairman, and he is supervising the organizational work of the various divisions of the appeal. The intensive dates of the campaign will continue from May 25 to June 8.

Spanish War Vets Left Kingston 50 Years Ago May 2

Anniversary Banquet Is to Be Held Saturday by Colonial Camp; All Volunteers

When the members of Colonial Camp No. 75, United Spanish War Veterans, gather at the Governor Clinton Hotel Saturday evening for their fiftieth anniversary banquet, it will be an especially significant date for some of them.

The dinner is scheduled on the eve of the fiftieth anniversary of the departure from Kingston of the old Fourteenth Separate Company for service during the Spanish-American War. That is the company which later became known as Company M, First Regiment Infantry, New York Volunteers.

Monday morning, May 2, 1898, was a rainy morning, but a large portion of Kingston's 25,782 population had turned out to send off the local militia.

Freeman Reports Departure

The Freeman that afternoon reported, "Under dripping skies, amid the ringing of bells, the blowing of whistles, and the cheers of ten thousand people, the Fourteenth Separate Company marched out of the armory this morning to face the unknown future."

The company, consisting of 81 men and three officers marched down Broadway, over to Wurts street, down the hill to Abbot street and then back to Broadway and to the dock where they boarded the ferry transport which took them to Rinecliff to board the train for Camp Black at Hempstead, L. I.

The men were escorted by a detail of police, Schofield's 21st Regiment Band, Cornell Hose Company, the Peckham Brass Band, St. Peter's Commandery of Knights of St. John, Kingston City Drum Corps, Rescue Hook and Ladder Company, Whiteport Band and the Weiner Hose Company.

From armory to city hall, "the street was literally blocked with people, so that the electric cars could not pass and all traffic on Broadway had to be suspended for a time," reported The Freeman.

All Volunteer Army

Today, that war is termed a small war. The entire army consisted of 483,000 men. Unlike other wars, it was fought by an all-volunteer army, of which fact the veterans are justifiably proud. Of the total who served, about 100,000 are still living.

The war was significant in at least two respects: Much of the territory used as bases for the United States forces in World War 2 in the Pacific was obtained by us then. For instance, Kingston's Company M was a part of the regiment which occupied the Hawaiian Islands, which prior to that time were independent.

Much of the present knowledge of sanitation and welfare of troops in tropical places was learned from the experience of the men who fought and served in the Spanish-American War. Kingston's company, like the others, suffered in heavy woolen uniforms and experienced its share of typhoid fever.

Company Federalized

On May 21, the company was mustered into federal service, its designation being changed to Company M. With them in the First Regiment were Company K of Poughkeepsie, Company L of Newburgh, Company I of Middletown and companies from Albany, Oneonta, Binghamton, Walton and Ulster.

From Camp Black (named for the then governor of the state, Frank S. Black of Troy) the company went on June 11 to Fort Hamilton, N. Y. On July 7 they were taken to Jersey City, where

they entrained for San Francisco, Calif.

Unlike troop movements during World War 2, there was no secrecy then. In fact, the Army had to advertise for bids for the transportation, awarding the contract to the lowest bidder.

On July 13, the men of Company M moved to Camp Miller, at the Presidio of San Francisco, Calif.

Depressing Voyage

The following month they sailed on August 3 aboard the coaster, Charles Nelson, for Honolulu, Hawaii. The ship was badly overcrowded, food was bad, and the voyage was generally depressing. They were told later by their officers that there had been five fires break out on the ship during its voyage.

They first camped on the race track at Kapiolani Park, later named Camp McKinley. They were later moved to "Irwin track," about 400 yards away, on the base of Diamond Head.

This new camp they nicknamed "Tarantula Farm." James Small Barber, a member of the company who had been a typesetter at The Freeman, in one of his many letters to this paper, wrote that this camp was the home of ants, spiders, centipedes, and tarantulas.

While at Hawaii, the men were issued a white duck uniform, for which they had to pay the government \$2.21. Barber described this uniform as made out of "the stuff that painters wear at home" and said they fit just as though "they were cut out on a buzzsaw by a blind man."

With much of its effectiveness gone due to typhoid, the regiment was shipped back home in December, Company M arriving here by December 28, 1898. They were mustered out February, 1899, at the armory, Broadway and Hoffman streets.

Got \$15.60 a Month

The pay was a favorite topic of conversation. As in other wars, the men signed the payroll and waited for the paymaster, who might come in a week or in a month.

When they got paid, the privates were doled out a \$10 gold piece, a \$5 gold piece, a 50 cent piece and a 10 cent piece—a total of \$15.60 for the entire month. The use of the money of the pay would be spent within a few days for food, when it was obtainable.

Some idea of camp life is given by the following extracts from the early letters from James Barber at Camp Black:

May 6—"After a very pleasant trip, we arrived here at 3:30 o'clock Monday afternoon. As our tents had not arrived we were forced to lie around in the rain with a sandwich of compressed ham and two large half loaves of bread. . . . It was long after dark when we finally got our tents pitched. . . . There are 15 men in each tent and our bed is composed of a bunch of straw.

"This morning we had beans, corned beef, bread and coffee for breakfast. For dinner we had corned beef stew and coffee. The coffee is something great."

May 7—"It has been a case of beef stew and beans ever since we came here, but this morning to break the monotony they were slightly burned."

May 16—"If anybody should ask what kind of a place Hempstead is tell them that Port Even is a city compared to it."

Members of the company who died during the war were Herbert Creuch, who died at Camp Black, and George W. Van Keuren, Grant L. Wells and Sgt. Walter Van Gaasbeek, all of whom died in Hawaii. The company was not hit as badly by typhoid as some of the other companies in the First Regiment.

77 Have Died

During the past 50 years it has been impossible to keep track of all of the members of the old company, many of them having moved out of the state. At full strength, after reorganization at Camp Black and Fort Hamilton, the company contained some 104 officers and men. It is known that at least 77 of these have since answered the final roll call.

Of those still living, 11 are members of Colonial Camp No. 75, today. They are 1st Lt. David Terry, the only living officer, Sgt. James Allan Wood, the only living sergeant, and Louis J. Bazoni, Roswell Coles, Harry Goldsworthy, Peter J. Halloran, William Haines, Milton Israel, Egbert D. Schoonmaker, Frank Thompson and George Winter.

Other members of Colonial Camp today, all of whom served in the Spanish-American War in companies other than Company M, are Ezra Quick, commander, Martin Anderson, Edward Balic, John J. Bode, Henry Fox, Humphrey Jones, Charles Kline, Emil Krohn, Henry Machold, Henry Kirchhoff, Edward Oehler, Charles R. Stahl Otis A. Rider, Frederick N. Janson, Irving B. Wood and Philip James Stone.

Woodstock Boy Is Hurt in Collision

Allen Van Wageningen, young son of Superintendent of Schools and Mrs. Walter S. Van Wageningen of Woodstock was treated for head injuries Thursday morning suffered when his bicycle collided with the automobile of Jesse Bedell of Ohayo mountain section.

According to a report of the accident, Mr. Bedell, former New York city motorcycle patrolman, made a left turn off the main highway in the village, just as a group of boys rode their bicycles near the intersection. His car and the cycle of the Van Wageningen boy collided.

Mr. Bedell removed the boy to the office of Dr. Hans Cohn, who sent the youngster home after treatment with instructions to remain in bed until Monday.

Young Pianist Gets National Award

New York, April 30 (AP)—Seymour Lipkins, 20-year-old pianist who comes from a Detroit family, hit a musical jackpot at Carnegie Hall last night.

He was announced as winner of the national award of the Rachmaninoff Fund's first national piano contest.

Lipkin, apprentice conductor and pianist of the Cleveland Orchestra, was named winner after competing with four other young American pianists in the finals of a competition that has run for two years.

The only other male finalist, Gary Graffman, of New York and Philadelphia, received a special award.

Grace Harrington, of Palisades Park, N. J., won honorable mention. The other finalists were Jeanne Thierion, of Port Chester, N. Y., and Ruth Geiger, of New York city.

The contest was one of the most rigid ever held in this country. Lipkin received \$1,000 as advance on an R.C.A. Victor recording contract and will go on a nation-wide tour under contract with Columbia Artists Management and National Concert and Artist Corp. The winner was playing piano

by ear at the age of one and a half.

Dewey Says State
To Welcome DP's

Albany, N. Y., April 30 (AP)—Governor Dewey says New York "will be ready to receive its share" if Congress admits displaced persons to the United States.
Three State Department heads have been directed to cooperate with groups supporting federal legislation to allow the entry of thousands of DP's.

The State Labor Department, Dewey, disclosed last night has been surveying for several months employment possibilities for DP's on farms and in industry.
He said he had requested Housing Commissioner Herman T. Stuchman and Agriculture Commissioner C. Chester DuMont to work with Industrial Commissioner Edward Corsi on plans to handle an anticipated influx of DP's.

The governor reiterated his personal support of federal legislation to admit to the United States

"victims of Nazi and Communist tyranny."
"I welcome the recent reports," he said, "which indicate that the Congress will soon approve important legislation on this subject."
"For some time, I have urged the easing of our immigration laws to permit the absorption of our share of displaced persons of all religions."
"New York state will be ready to receive its share . . ."

Benjamin Franklin
Coin in Circulation

Philadelphia, April 30 (AP)—A new half-dollar, honoring Benjamin Franklin, went into circulation today.

The coin, designed by the late John Sinnock who sculptured the Roosevelt dime and Purple Heart medal, is the idea of Mint Director Nellie Tayloe Ross.

"It is really appropriate that the Franklin half-dollar becomes a reality at this time," said Mrs. Ross. "He was the great apostle of thrift and his picture on the coin should remind people that in his

time of world unrest it would be a good policy to husband our resources."

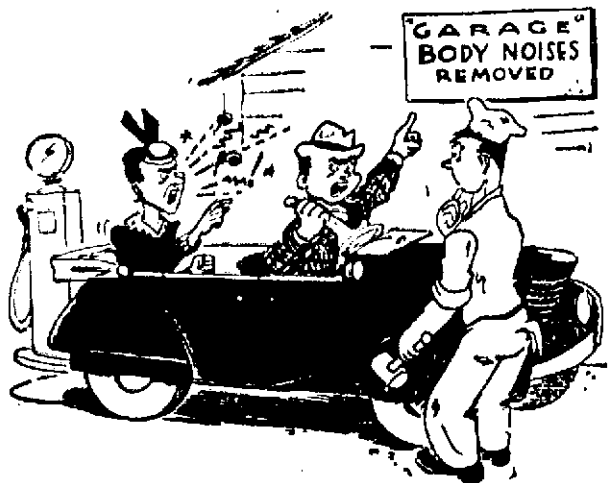

The Franklin coin is the first U.S. half-dollar to display anything except the American eagle on the reverse side, Mrs. Ross said. On the reverse side of the coin is a picture of the Liberty Bell.

"But," she added, "in order to

conform with the law a small scale eagle was inscribed next to the 'E. Pluribus Unum' seal."

Chief Vinson . . .

Continued from Page One
 But now he called to Vinson for recognition.
 The usually calm chief justice of the court, then said once again: "Your time has expired."
 Climenko nevertheless began, "I deplore the accusation."
 Vinson's face turned white. He pounded his gavel. In cold tone and measured words he said for a third time: "Your time has expired."

Climenko retreated.
 The usually hushed courtroom was in momentary confusion.

But Vinson quickly called the next case and order returned.
 Climenko told newsmen outside the courtroom that what he had tried to say was this:
 "I deplore the fact that I have lived to see the day when such a suggestion should be made—a suggestion of pre-arrangement."

Frankfurter had stressed his contention—that the C.I.O. and the government had cooperated to get an early Supreme Court ruling to point up his interpretation of the legal situation confronting the nation. This interpretation was that the tribunal had been asked to decide a constitutional issue on abstract questions, rather than on an actual argument.

One of Frankfurter's "hypothetical" questions to Pressman was: "What would you think of the judge who held a statute unconstitutional in order to get a quick Supreme Court test?"

"That's not our case," Pressman answered. "But a judge who would do that is not doing his duty. I want to state categorically that I want to violate the law as a first. What we did we did for ourselves."

Some court observers speculated that the case may not be decided before the high tribunal adjourns in June for its summer vacation.

There was nothing to indicate that Vinson's anger yesterday stemmed from anything more than his irritation at Frankfurter's protracted questioning.

In fact, Vinson and Frankfurter were on friendly terms. Justice Reed, Jackson and Burton in many of the cases 5-4 splits. In those instances the majority is composed of Justices Black, Douglas, Murphy and Rutledge.

Results of Early Car Crash

Considerable damage was done to two buildings and a car at 2:10 a. m. today when the car, traveling north on Hasbrouck avenue, swerved across to the left side of the street, struck a light pole, continued over the sidewalk into the corner of the building at 159 Hasbrouck avenue and came to a stop after damaging a porch post on the next house, the police reported. In the police report of the accident, the driver was identified as Charles E. Joy of 9 Maple street, who, the report stated, "fell asleep at the wheel." No arrest was made. Most of the damage was done to the building at 159 Hasbrouck avenue owned by Abraham Gallop, where the entire corner of the lower floor, about eight feet back on the front and north side, was demolished. Wood from the siding of the house was strewn in the driveway. The other house is owned by Nathan Lipman at 161 Hasbrouck avenue. A post on the south corner of the porch was knocked loose, and several windows were broken. The street light on the pole which was first hit was broken, and the base of the pole slightly splintered. The automobile, a 1936 Ford sedan, received damage to its front end.

accounted the downside of the cattle cycle.
 H. M. Conway, market analyst for the National Livestock Producers Association, said, "cattle feeders are not refilling their feed lots. They are putting in about 50 per cent of the number which went in last year. It means a tremendous reduction in meat production starting in about 30 days."

While last year's short corn crop was held partly to blame for the situation by Conway, he said that a decline in cattle prices since the start of the year had thrown a scare into cattle feeders.

"Cattle fed over a long period are a losing proposition in view of inflated grain prices," Conway said. He added some feeders were losing as much as \$100 a head on long fed cattle.

based primarily on three main ideas: (1) to prepare for the defense of the American continent and their air and sea approaches, (2) to develop an ability to strike back (by air initially) at the heart of any aggressor nation, and (3) to prepare for the swift mobilization of powerful land forces in the event of a war emergency.

The latest plans disclosed by military authorities do not provide for the masses of manpower which would be necessary if the United States intended to increase greatly the force of approximately 100,000 men it now has assigned to occupation duties in Germany, Austria and Trieste.

American military strategy at the moment, therefore, is designed not to provide direct protection to western Europe, but rather to warn the Russians of a threat of war by the United States if the Soviets should move aggressively.

Predicts War 3 Will Open With Capital Bombing

Syracuse, N. Y., April 30 (AP)—If there is a third world war, it will start with enemy bombs exploding in Washington to paralyze the government, Col. Melvin J. Maas predicted today.

Maas, vice president of the National Reserve Officers Association, said simultaneous attacks would be launched on American industrial centers and major seaports in quick thrusts to "knock us out."

He urged adequate military preparedness.

Maas, in an address prepared for the annual convention of the association's New York department, asserted:

"Make no mistake—the United States will be the initial object of any future aggression. Twice within a generation world conquerors almost succeeded in their dastardly designs. In each case they failed when success seemed assured. They failed only by reason of the industrial might of America."

"Therefore, any future aggressor will know that before he can succeed in subjugating the world, he must first knock us out and destroy our ability to produce and mobilize."

Mayor Newkirk said, "I feel, like Mr. Egan, that he has been an exceptionally good man for the city." At that point, the mayor offered his suggested resolution creating a post for the retiring director.

One other civil service appointment was made by the board Thursday. Carroll W. Campbell of 40 Crane street, the highest rated man on an eligible list of three, was appointed automotive mechanic for the Board of Public Works at a minimum salary of \$2,300. His appointment will take effect on or before May 17.

This was another case where a non-civil service man will necessarily be replaced by a civil service appointee with veterans' preference. The board unanimously agreed to authorize the person being replaced, Van Aken, to take a one-week vacation with pay before his employment is terminated.

Stealing Gasoline

Complaints have reached the police department that some one has been stealing gasoline from cars parked in the Fifth Ward in the vicinity of Crane street. Police officials have ordered radio car men to check this area frequently.

New Pastor Is Installed

Officiating clergymen at the installation service Thursday night for the Rev. John Dykstra as minister of the Reformed Church in Hurley are shown with the new minister. From left are the Rev. Gerret Wullschlegel, New Paltz Dutch Reformed Church, who gave the charge to the

minister; the Rev. Mr. Dykstra; the Rev. Raymond J. Pontier, Reformed Church of the Comforter, Kingston, who gave the sermon and led in the liturgy; the Rev. Robert G. Dickson, pastor of Saugerties Reformed Church, and former pastor at Hurley, who gave the charge to the congregation. (Freeman Photo)

Lewis Would . . .

Continued from Page One

he and Senator Styles Bridges (R-N.H.) have agreed on \$100 pensions for miners aged 62 with 20 years service. Ezra Van Horn, the third trustee and representative of the operators, has filed a suit to keep the Lewis-Bridges plan from going into effect.

Van Horn contends the pensions would bankrupt the welfare fund. That fund comes from payment by mine operators of a royalty of 10 cents on each ton of coal mined.

Movements have been started by various union district scale committees to boost this royalty to as much as 40 cents a ton.

They have talked of 40 cents because coal operators say financing the pension payments Lewis desires would require 40 cents royalty.

In addition to the pension issue and the royalty which supports it, there is speculation Lewis will ask for a substantial wage increase and other concessions such as more holidays and vacation.

At present the mine workers receive \$100 as a vacation payment. The vacation time is scheduled this year for June 26 to July 4.

If the 400,000 soft coal diggers walk out June 26, Lewis can say they are on vacation—not on strike.

Charter Committee Favors the Present City Fiscal Year

The Charter Revision Commission Thursday night reconsidered the matter of setting a new fiscal year and decided in favor of retaining the present fiscal year for the city government. It was reported today by Thomas W. Miller, secretary.

The members adopted the following section, to be numbered Section 63, for inclusion in the proposed new charter for the city:

"The fiscal year of the city shall commence on the first day of January. On or before the fifth day of November in each year, all heads of departments and officers empowered by law or by ordinance to control or authorize expenditures shall furnish to the mayor estimates, in writing, of the amount of expenditures for the next fiscal year in their respective departments and offices, including a statement of the salaries of all their subordinates and the mayor shall furnish a copy of such estimates to each member of the Board of Estimate at a meeting to be held on or before November 20, and the same shall be entered in the minutes."

The Board of Estimate as proposed by the commission would consist of the mayor, comptroller and two members of the Common Council. The mayor would be president of the board. The purchasing agent would keep the minute book of all proceedings thereof and perform such additional duties as the board may require.

A WEEKLY THRIFT PLAN

THAT WILL EARN YOU 3½% PER ANNUM

"It's not what you earn — but what you SAVE . . . that counts!"

HERE ARE THE DETAILS: ASK YOURSELF THESE ELEVEN QUESTIONS:

1. Q. What is the primary purpose of the Installment Share Savings Plan and its advantages?
 A. It enables all persons, regardless of age and earning power, to accumulate \$250 . . . \$500 . . . \$1,000 . . . \$2,500 . . . \$5,000 . . . or more by Saving Small Sums Weekly. Because of the regularity in payments, a higher rate of dividend is paid on Installment Shares than is paid on Paid-up Shares.
2. Q. Can two persons own an account together?
 A. Yes—any two people, husband and wife, two friends, etc., can own an account together. The account is payable to either or to the survivors. Accounts can also be opened by one person in trust for another, and of course an individual may have the account in his own name. Minors over 12 years of age may hold shares in their own name.
3. Q. Can I save by mail?
 A. Yes—payments by money order or check may be made by ordinary mail—cash by registered mail. Pass books are returned promptly.
4. Q. When does a series open and when does it mature?
 A. A series opens at anytime and thus matures at any given period contingent upon the opening date.
5. Q. What do I agree to when opening an Installment Share Savings Account?
 A. You agree to pay each week a certain amount depending upon your goal.

Weekly Payment	Shares	Maturity Value
50c	1	\$ 250.00
1.00	2	\$ 500.00
2.50	5	\$1,250.00
5.00	10	\$2,500.00
10.00	20	\$5,000.00

If an account becomes 12 months in arrears, the right is reserved to suspend the account, in which event the shares will not receive any dividend.

6. Q. What do I receive when I reach my goal?
 A. You receive a check for the matured value of your shares, (payments plus dividends).
7. Q. Can I borrow money on the account?
 A. Yes, you may borrow up to 90% of the balance of the account on your personal note without endorsers, at the prevailing rate of interest and without interrupting dividends.
8. Q. What happens if I close out an Installment Share account before maturity?
 A. If withdrawn before maturity, you receive all the money paid in, plus all the dividends up to the date to which the account has been paid. Last dividend, as of June 30, 1947, was 3½% per annum.
9. Q. If circumstances arise which make it difficult to keep up the agreed weekly payments, can I reduce payments?
 A. Yes, you may decrease the weekly sum you planned to save by withdrawing the value of one or more shares.
10. Q. Is it easy to save this systematic way?
 A. YES! The hardest step to take is the first one—"opening the account." Each week the savings habit becomes gradually easier. This is the experience of our members.
11. Q. How is my investment protected?
 A. All investments are insured up to \$5,000 by the Federal Savings and Loan Insurance Corporation.

Methodists to Study
One Drunk Report

Boston, April 30 (AP)—The Meth-

odist general conference today studied a southern Baptist leader's report that 81 per cent of all American homes have at least one drunk.

Dr. Louis D. Newton, president of the Southern Baptist convention, made the statement in a conference address yesterday.

He said that the liquor industry promotes that half the population indulges in alcoholic beverages, but he added: "They do not boast that they

have made total alcoholics of 750,000 men and women in the United States, and heavy drinkers of 10,000,000 men and women."

"At least one person in 81 per cent of the American homes," he added, "has a record of drunkenness."

The convention's temperance board reaffirmed its stand on prohibition, asserting that "as soon as possible beverage alcohol should be outlawed in the United States."

How to Fall in Love
in one easy lesson

Take a clear day—a Dynaflo* Buick—and a mind open to new experiences.

Turn the key in the lock—press down the gas treadle—and set this mighty Fireball straight-eight purring. Now:

Flick the selector lever till the pointer indicates "D"—that's for driving. Feed a little gas—and see what happens.

Smoothly, you slip away from the curb. Silently you build up momentum. Effortlessly you cruise at whatever pace your treadle toe selects.

Look! you say. A stop light! What do I do?

Nothing special. Let up on the gas. Apply the foot brake as you need it. That all? Won't the engine stall? Don't I shift?

That's all. Your engine won't stall. You don't shift. Just sit there till the coast is clear. Then step on it. Step hard and you're off like a rabbit. Step lightly, and you ease smoothly away.

What's happening? you want to know. What's doing the shifting? Some mechanical hand under the floor boards?

Not in this car, sir. Oil does it all—spinning oil. Oil whirling to give you starting surge—power build-up—efficient cruising—engine braking effect on hills.

Oil that does everything the usual low, second and high gears do—without any gearshifting on your part—and without the slightest break in your stride except when you want it.

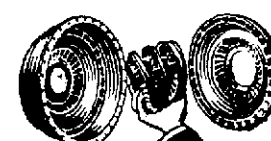

Say no more! I'm sold! Where do I sign up?

There's only one place. Only Buick has Dynaflo Drive, and no other American car has anything like it. With or without a car to trade, better see your Buick dealer first minute you can.

What's Different About
DYNAFLO DRIVE?

To an efficient new pump (left below), Buick engineers have added a new turbine (right) and an ingenious new supercharging assembly (in hand) which produces a torque-boasting action in starting and accelerating. The result is the first device on any American passenger car which employs liquid to fill the function of both the clutch and the usual low, second and high gears. The clutch pedal is eliminated and a simple control gives you manual selection of power ranges and direction.

Nuncios Declare Their Innocence in Federal Court

New York, April 30 (Special to The Freeman).—Two Ulster county men, John and Salvatore Nuccio of Highland, pleaded innocent before Judge John Clancy in Federal Court here today on charges of being members of a gambling ring accused of plying their trade at stills in Orange and Dutchess counties.

The two men and 13 others were indicted April 25 on charges of defrauding the government of \$520,000 in alcohol taxes. Nicholas J. Nuccio, 308 Washington street, Newburgh, and Joseph Macaroni, 99 Liberty street, Newburgh, also pleaded innocent and their trial date has been set for May 20, it was reported.

Two others, also alleged bootleggers, Adam P. Jodewicz of Hamdenburg, Orange county, and Francis Scott, Jr., who worked on Jodewicz's farm in Hamdenburg where one still allegedly stood, pleaded guilty today and will be sentenced May 20.

According to the report, Frederick Jodewicz, 220 Avenue B, Bayonne, N. J., and Winthrop C. Stone, Violet avenue, Poughkeepsie, were expected to plead not guilty later today.

Pleading date was adjourned to May 7, for Frank J. Falanca, Tait avenue, Newburgh.

Besides the one alleged still in Hamdenburg, others were said to be on the premises of the Superior Hamme and Pot Corporation in Hyde Park. The Hyde Park operation owes the government more than \$120,000, according to U. S. Attorney Robert Mitchell.

Lang Is Indicted With 25 Others in Lottery Affair

Schenectady, N. Y., April 30 (AP).—The Schenectady county grand jury today indicted 26 men arrested last Friday in the smash-up of what state police called a \$25,000,000 statewide lottery ring.

All were indicted on 16 counts each on charges of conspiring, contriving, proposing and drawing a lottery.

They will be arraigned at 2 p. m. Tuesday before State Supreme Court Justice Willard Best in Schenectady.

Indicted were Samuel Baker, Niskayuna; Joseph Karp, Schenectady; and Anthony Hanus, Chenango Bridge, described by state police as the "leaders" of the alleged ring.

Also indicted were William English, Watertown; Joseph Gaurier and Philip Di Matteo, Syracuse; Austin Johnston, Utica; Leo La Grou, Fulton; Thomas R. Dexter, Cortland; Frank Fusaro, Poughkeepsie; Al Sloat, Peekskill; Joseph Surak, Buchanan; Don Tunnard, Yonkers.

Edward A. Tyler, Middletown; Ralph Cook and Stephen Lawson, Newburgh; Stanley S. Foreman, Schenectady; Howard Knapp, Scotia; Carl Galuthe, Catskill; George Anderson, Levittown; Harry Simmons and Clarence Bridenbaker, Jamestown; Frank Avagliano, Corning.

Ray Lang, Kingston, Clarence J. Holman, R. D. L. Hines, and Harry E. Broom, county.

The men were arrested in simultaneous raids by state police in 16 counties Friday.

The plant of the Benjamin Franklin Press in Schenectady was raided. State Police Superintendent John A. Gaffney said "millions" of lottery tickets were stored at the plant, the alleged headquarters.

The tickets purportedly based their payoff on the daily U. S. Treasury balance.

Gaffney said the alleged lottery ring was one of the largest ever uncovered in the state. He said it had been operating for about six months.

Lions Offer Money In Courtesy Drive To Begin Monday

The Kingston Lions Club was the first organization to offer financial assistance in the "Courtesy Is Contagious" campaign set for May 3 to 17.

Robert Case, manager of Reade's Kingston theatres, who instituted the drive, which has the endorsement of Mayor Oscar V. Newkirk, reported receiving a \$25 check from the Lions.

"It's to defray the expense of lapel buttons," he said. "Up until the Lions' donation, the entire burden rested on Walter Reade. Cognizant of the benefits of the courtesy campaign as regards business contacts and general goodwill, the Lions volunteered to help."

Stressing that he appreciated the generosity of the organization, Manager Case remarked, "We've been promised financial assistance from other groups too—the Central Business Men's Association and Downtown Business Men's Association."

One Kingston automobile dealer, George Shively of Old Capital Motors, deeming the courtesy campaign an extraordinary move to promote good public relations between merchant and customer contributed \$10 towards the expense fund, and another donation came from the Johnson awning firm downtown.

Encouraged by the enthusiasm of the Kingston business folk and Mayor Newkirk, a salesman before he took office at the city hall, Mr. Case is certain the campaign will produce marvelous results. "Courtesy is so essential," he said, "and is a must in running a business."

Anyone desiring to give financial assistance may mail checks to the Courtesy Fund, Broadway Theatre office.

Several movies stressing the merits of courtesy shown at clubs in the city, and which were run off at the conclusion of the final session of the Bard Plan for Small Business, attracted the attention of local educators who are of the opinion that courtesy should be emphasized in the city schools.

Thursday afternoon, May 6, Principal Clifford Hall will call a special assembly at Myron J. Michael School for screening of the movies.

A large banner will be strung across Wall street from the Reade Theatre to the Cut Rate drug store, through the courtesy of Walter Reade, who is 100 per cent behind the courtesy drive.

The campaign will open on Monday by proclamation of Mayor Newkirk and run through May 17.

Reds Not Second Class

New York, April 30 (AP)—Passage of a proposed congressional bill requiring Communists to register with the Justice Department would drive the Communist party underground, says William Z. Foster, its national chairman. If the bill passes, Foster said last night, party officers and members would be instructed not to comply. "Registration is a disgrace," he said. "Communists are just as good Americans as can be found in this country. We refuse to be placed in the category of second-class citizens."

Parade Under American Flag

Box 173
Rosendale, New York
April 30th 1948

Editor, The Freeman:

In last night's paper you published a letter from Mr. F. Briehl in which Mr. Briehl expressed himself in regard to the American Legion sponsoring of the American Labor Parades which are being presented as an answer to the Communist led parades which have in the past been held on May 1st.

Mr. Briehl has been connected with and active in the interests of the Communist Party and has on several occasions been a candidate for office on the Communist Party ticket.

Under our democratic system Mr. Briehl is of course entitled to express his opinions and to have them published. I feel however that it is very important for every reader to read carefully a letter of that type and to consider what may or may not be implied. I find no fault with Mr. Briehl's statements on the struggle of Lin-

coln for recognition and on the origin of the May 1st Labor Parades. I do object however to the way in which Mr. Briehl ignores the fact that for a number of years the Labor Parades held on May 1st in our large cities have been rightfully considered as Communist Demonstration and have been composed to a large extent of Party Members, Fellow Travelers and Communist Dupes.

In answer to Mr. Briehl, I say, Yes by all means American Labor should continue to parade on the 1st of May. Let us however parade under the American Flag, with the sponsorship of the American Legion and other organizations having the interests of our country at heart and let us use this means of showing the Communist Party that American Labor does not need and does not want either Red leadership or Red tactics in our labor demonstrations.

Very truly yours,
ALBERT P. GILLIGAN

Lived by Hitler, She Says

Wiesbaden, Germany, April 30 (AP)—There is a woman here who says she lived next door to Adolf Hitler last year on President Roosevelt street in Liegnitz. The woman, Frau Dora Mai, told her story to American Military Government officials here. They are skeptical, say it is Russia's problem because Liegnitz is in Polish-occupied Silesia. Frau Mai said she has a triangular mustache now and he grows sideburns. "But it is he, all right. I lived next door to him for a year in Liegnitz. We both lived on President Roosevelt street."

Dewey and Stassen In Crucial Fight In West Tonight

Albany, N. Y., April 30 (AP)—Gov. Thomas E. Dewey will fly to Oregon tonight for what might be the fight of his political life in another presidential primary duel with Harold E. Stassen.

Stassen, winner over Dewey in Wisconsin, Nebraska and Pennsylvania, and the New York governor are the only Republicans entered in the May 21 Oregon primary.

Twelve delegates will be elected. The outcome currently seems to be a toss-up. Dewey and Stassen are expected to criss-cross the state in stepped-up pre-primary campaigning.

A win for Dewey would restore prestige his rivals claim he lost by trailing Stassen in the last three primaries after beating him in New Hampshire.

If Dewey loses to Stassen again in Oregon, political sources believe, the New Yorker's chances for renomination will be seriously crippled.

Senior Girls Suspended For De-Skirting Frosh

North Bend, Ore., April 30 (AP)—Six high school senior girls were suspended yesterday as the school board moved to end a 40-year-old "de-skirting" tradition.

Principal Herb Armstrong said for 40 years it has been the practice at some time during the school year, usually at the lunch hour, for senior girls to pull the

skirts from freshman girls. Its counterpart — "de-pantsing" — has been the penalty of freshman boys at the hands of senior boys, although this was not involved in the current instance.

Armstrong said the school board

was determined to bring the tradition to an end. He said North Bend was apparently the only school in the state where that type of hazing existed.

The students suspended are ordered to stay off the school

grounds for two weeks. After that time, on a promise of good behavior, they will be reinstated, Armstrong said.

CHEVROLET—and ONLY Chevrolet— IS FIRST!

First in all-round quality in the entire low-price field!

How you and your family will enjoy ownership of this newer, smarter, finer Chevrolet for 1948! It brings you BIG-CAR QUALITY—not in one item only, but in every phase of styling, engineering and construction—and brings it to you AT LOWEST COST, as well. That is why more people drive Chevrolets, according to official nationwide registrations—and more people want Chevrolets, according to seven independent nationwide surveys—than any other make of car. That is why you, too, will agree that CHEVROLET AND ONLY CHEVROLET IS FIRST in all-round value!

Here's power, acceleration and dependability that will thrill the most experienced driver. It's the unique performance with economy of Chevrolet's Valve-in-Head engine—America's most thoroughly proved automotive power plant. Valve-in-Head engines, too, are exclusive to Chevrolet and costlier cars.

Just as you will find no equal for Chevrolet's dollar-value, so you will find no equal for our authorized Chevrolet service. Safeguard your transportation by bringing your present car to us for skilled service, now and at regular intervals, pending delivery of your new Chevrolet!

Colonial City Chevrolet, Inc.
Broadway at Albany Avenue, Kingston, N. Y.
Telephone 4858

Nowhere else beauty like this! New styling! New colors! New upholstery fabric! All this added to the basic Big Car luxury of Chevrolet's famous Body by Fisher. Remember—this body is exclusive to Chevrolet and higher-priced cars.

You'll enjoy much greater comfort in Chevrolet for 1948. It brings you the Big Car riding smoothness and roadsteadiness of the United-Knee-Action Gliding Ride. Another feature found only in Chevrolet and more expensive cars.

Shirley Dirk Sets May Wedding Date

New York, April 30. Miss Shirley Dirk, daughter of Mr. and Mrs. Ralph Dirk of Highland, has chosen May 15 as the date for her marriage to Eugene Sheeley, New York. The ceremony will be performed in the Presbyterian Church, Highland, at 4 p. m. The Rev. Oscar Jelima will officiate. Miss Lorraine Dirk will attend her sister as maid of honor.

Silver Anniversary Tea Given by Local Y.W.C.A. Thursday

About 150 members and old members renewed acquaintances and inspected the Y.W.C.A. building at the Silver Anniversary Tea of the local association Thursday afternoon and evening. Of much interest was the table of scrapbooks showing newspaper clippings and important pictures of the years since the local association was formed.

Spring flower arrangements throughout the building made the rooms especially attractive. The executive director's room and teenage director's rooms have recently been redecorated in gay colors. The former in a dusty rose with white woodwork and draperies in green, rose, white and maroon stripes; the latter in pale blue ceiling, pale yellow walls and white woodwork and draperies of huge red morning glory prints on pale blue background.

The library is the next project for the rooms and needs a few more lamps and easy chairs. The main floor office has been enlarged also and painted aqua.

The tea table was resplendent in honor of the day with a centerpiece of white flowers and the silver tea and coffee service. A 25th anniversary cake was cut so each one attending could have a piece.

During the afternoon Miss Della Hyde, Mrs. Frank Thompson and Mrs. Theron Culver poured and in the evening, Mrs. Samuel Watts and Miss Matilda Martin.

Miss Alice Millonig played two violin solos: Alberta, a caprice, by M. Greenwald; and Adoration by Borowski, accompanied at the piano by her mother, Mrs. Henry Millonig. Miss Marjorie Merrill played piano background music in the afternoon and Miss Beverly Rathgeber at night.

Miss Florence Cordis was chairman of the hostesses and also had charge of the floral arrangements. The tea was held in conjunction with National Y.W.C.A. Week.

Ulster Hose 5 Weekly Dance. Ulster Hose Co. 5, Inc., is continuing its weekly dances in the new firehouse on Route 9-W every Saturday night. Floyd Barringer and his five piece orchestra will provide music with Mr. Barringer calling the square sets. Dancing will be from 9 to 1 o'clock. The public is invited.

Architect's Drawing of Kerhonkson School

The above photo is a reproduction of a drawing submitted by Architect Gerard Betz of Kingston for the modernized school project which voters of Union Free School District No. 1, Kerhonkson, voted a \$350,000 bond issue this week. The proposal

calls for two two-story brick additions at each end of the present school building which was erected in 1926 and which houses the grade and high school classes of the district.

Leonora Gorton, Former Resident, To Be Wed Tomorrow

New York, April 29 (Special).—The marriage of Miss Leonora Gorton, daughter of the late Dr. and Mrs. David Allyn Gorton of Kingston, who makes her home with her uncle and aunt, Mr. and Mrs. James R. DeNyse in Brooklyn, to Thomas J. Batson, son of Mrs. Thomas J. Batson of San Leandro, Calif., and the late Mr. Batson, will take place in New York Saturday.

The ceremony will be performed in the chapel of the Biltmore Hotel by the Rev. Charles McManus of St. Patrick's Cathedral. A reception will follow in the Bowman Room of the hotel.

The bride, given in marriage by her brother, David Allyn Gorton, will have her cousin, Mrs. Donald F. Amery, as her only attendant. Charles Keolan will serve as best man for his cousin.

The bride, wearing a Grecian-style gown of pearl gray tissue with a bonnet of ashes of roses straw trimmed with purple violets and purple accessories, will carry an old-fashioned bouquet of violets, roses and lilies of the valley. Mrs. Amery will wear a Persian blue frock and will have a bouquet of light blue flowers.

The bride was graduated from Lockwood Academy, Kingston High School and the Westchester Commercial Business School. Mr. Batson was graduated from Ulster Free Academy and R.C.A. Institute in New York. During the war he was a radio engineer for Pan American Airways, Inc. He is now sound engineer for Dumont Television Laboratories, Inc., in New York.

After a wedding trip to Nanuet, Mass., the couple will live at the Fifth Avenue Hotel in New York.

INTRODUCING HERSELF
TO STRANGERS

Concerning the proper use of her name, a young woman asks: "When a woman about 30 years of age finds herself in a group, say at a church or club, where she is not well known and is asked her name, should she say 'Betty Brown' or 'Miss Brown'? Should she say this regardless of the age or sex of the person who speaks to her?"

It would be proper to introduce herself as "Miss Brown." If the stranger looks puzzled or possibly asks, "Which Miss Brown?" she then answers, "Betty Brown." A

Citation and Coaltown One-Two Derby Choices

Louisville, Ky., April 30 (AP)—Frankly, there's not much important left to be said about the 1948 Kentucky Derby until the cream of the three-year-olds go out and get it over with in a couple of exciting minutes tomorrow afternoon about 4:30 p. m. (CST).

It still looks as though only four colts will dare tackle the Calumet farm bundle of Doubles Trouble, Citation and Coaltown at Churchill Downs. The answer will come when the entry box opens and closes today. All the owners have to do is plunk down \$10,000 each and take a shot at the best part of \$100,000.

With only six probable starters, officials at Churchill Downs will decide today if they will eliminate place and show bets. Jammed trains, planes, buses and other conveyances keep coming with people in them, all eager to get sardined into the rest of the crowd, expected to swell to 100,000.

Prices Are Up

Purses are taking the expected upward curve, yet nobody seems to mind. The derby comes just once a year, so it's fun while greenbacks and strength hold out.

The real curious, though it requires determination, arise with the birds and wander out to the barns on the backstretch to stare at the various contenders while trainers apply the final polishing touch.

It isn't difficult to determine the ones they're going to sink the bankroll on. The visitors cluster up the premises around the stalls of Citation and Coaltown, Warren Wright's derby darlings. The two are the only ones who don't know they are destined to be the shortest-priced favorites in derby history.

My Request?

Another false representation of the curious hangs around barn 16, a quarter of a mile up the way. They want a glimpse of Ben Whitaker's My Request and W. L. Brann's Escadre, stabled at opposite ends of the barn.

Hard to locate, but right close by is Billings, the big hope of R. W. McElwain. Billings is cooling out after a gallop and a groom slowly leads him around the inside stable area.

Several barns over from Calumet a limousine rolls up with a chauffeur up front and his passengers asking where can they find Grandpere. It's not hard to track down this California colt. Newly folded blankets on a rail bear the letters "J.P.A." for his owner, Mrs. John Payson Adams—the former Muriel Vanderbilt.

Making the rounds, about all that develops is another quick look, some dusty shoes and lots and lots of fresh air.

Rawding Wallops 247, 583 Scores In Colonial Loop

After breezing through the Emerick's Ladies' League, Tuesday night, with a 211-546 pace-setting effort, Dot Rawding roared back into action Wednesday night in the Colonial Women's League with a gaudy 247 singleton and 583 triple while most of the other keglettes spent a horrendous evening of it on the polished lanes.

Dot fashioned games of 179 and 157 around her 247 middle game and just missed the 600 club by 17 pins. Despite her nifty kegling, however, the Mayorettes dropped the odd set to the Central Reds.

Only one other 500 score was turned in by the women trundlers and that was posted by Betty Helmbold, leadoff for Chez Emile who slammed home an even 500 score with a 212 single high.

Betty opened slow with a 118 but came back strong with marks of 212 and 170.

B'nai B'rith Boxing's Second Anniversary

As April passes today, it marks the second anniversary of B'nai B'rith taking over boxing in Kingston.

For two years the organization has sponsored amateur shows in the Municipal Auditorium drawing fans from all sections of the Hudson valley.

Dr. Saul Goldfarb, chairman of the committee in charge of promoting the sport, today said, "We appreciate the patronage we've enjoyed. It has been B'nai B'rith's policy to match the best boxers available, regardless of the distance they must travel to Kingston."

The local club has brought in champions from all sections of the United States and Canada.

Previous to the time B'nai B'rith took over boxing, the sport was in the doldrums.

Lou Boudreau's .519 Average Belies Managerial Worries

Lou Boudreau, batting .519 for his unbeaten Cleveland Indians, is a solid argument for the survival of the player-manager in the major baseball leagues.

Last of the big leaguers who still combine the two difficult jobs, Boudreau almost lost his portfolio last fall. Only a flood of mail from aroused Tribe fans induced owner Bill Veeck to call off a tentative trade with St. Louis.

Instead of a trade, Boudreau was signed to "virtually a two-year contract," according to Veeck.

The "cares" of bossing the Indians to six straight wins have weighed so heavily on Lou that he has been able to hit safely only 14 times in 27 at bats. This is tops in the league. With nine runs batted in, he is tied for the lead. His shortstop work remains unchallenged.

Gets Four Yesterday

Boudreau pounded out four straight hits, including a double and home run, in yesterday's 5-2 New York 5, Washington 4, Boston 11, Philadelphia 5, Chicago 5, Detroit 4.

Mains Set For Port

Clark Mains, Kingston High's ace twirler and Jack Conroy, Port Jervis bellwether, were scheduled to hook up in the DUSO League baseball opener at municipal stadium today at 4 p. m.

Both squads were undefeated and Mains had a string of 12 consecutive scoreless innings behind him. Kingston tripped Cardinal Farley, 8-1 and Beacon, 2-0.

Port Jervis, the second place team in 1947, beat Fallsburg and Ellenville, with Conroy getting credit for both victories.

Sister's Illness Cause for Cox's Disappearance

Harrisburg, Pa., April 30 (AP)—Billy Cox, young Brooklyn infielder, said today he "disappeared" from the Dodgers fold for a day to visit his sister in a Harrisburg hospital.

"When I heard my sister was to undergo a major operation, my first thought was to get to see her," Cox said, adding he hopes to be back in uniform when the Dodgers open a series against the Phillies at Philadelphia tonight.

The youthful shortstop, who came to the Dodgers in a winter deal with the Pittsburgh Pirates, was reported missing just before Brooklyn's final home game with New York.

Pee Wee Reese, regular shortstop of the Dodgers pulled up with a charley horse, and Manager Leo Durocher looked in vain for Cox to fill the vacant spot in the short-field.

Just Got Excited

"I had no idea that Reese would be out of the line-up when I left so hurriedly," Cox said in explanation. "I should have notified the club that I was going home, but I was so upset at news of my sister's illness that I just rushed for a train."

His sister, Mrs. Arvilla Bell, is in the Harrisburg hospital, aware of the excitement her illness caused in Brooklyn.

Cox laughed at reports that he left the club because Manager Durocher wanted him to play second base.

"I will play any place that Durocher wants me to play," declared Cox. "I feel great, and am looking forward to a good season with the Dodgers."

Five Clubs Ready, One More Required For Church League

Five teams are definitely set for the opening of the Federation Church Softball League following a meeting this week at the Clinton Avenue Methodist Church, 100 Weeks, chairman of arrangements, has announced.

Although plans are going ahead to start the season either May 10 or May 17, Weeks made it clear that unless one or more teams are entered, the league may be abandoned. "We need at least six clubs for the league," Weeks declared, "and it is the popular opinion to drop the whole matter unless a sixth team is formed."

Teams already entered include First Baptist, Comforter, Port Ewen Congregational and First Egan. It is hoped that three more clubs will enter the fold.

The final organizational meeting will be held next Monday at the Clinton Avenue Church starting at 7 p. m. Representatives of all proposed teams are requested to attend.

Locke's Birdies Set Early Pace In Capitol Open

Washington, April 30 (AP)—South African Bobby Locke, a sparkling 65 on his first-day scorecard, led the way today into the second round of the 72-hole National Capital Open Golf Tourney.

Locke's seven-under-par play yesterday gave him a two-stroke lead over the quartet sharing second place: Johnny Palmer, Budin, Walter Bonney, Knoxville, and Jimmy Wright, Holmdel, Pa. The bearded Johnnieburg golfer played a steady 34—two under par—going out. Then—

He got four straight birdies on the home run, drilling in putts of six, eight, eight and 10th through the 13th holes. He sank another birdie on the 16th where, seconds later, he lost his approach shot right at the hole. Score: Seven under par.

Three strokes back of the South African who tied for second in this tournament last year were three at 68: P. G. A. Champion Jim Leveaux of Chicago, Ben Hogan of Houston, Tex., and Bob Hamilton, representing the home club.

Seven Horses for Derby

Louisville, Ky., April 30 (AP)—Seven three-year-olds were entered today for the 74th running of the Kentucky Derby, smallest field since 1914 for America's premier racing classic. There was a possibility, however, that only six might face the barrier at the 4:30 p. m. (CST) post-time tomorrow. The doubtful entry was Galedo, owned by Charles O'Neill of Miami, Fla., whose trainer, Tommy Tait, indicated the colt would go only if the track is made. The forecast calls for considerable cloudiness, warmer and possibly scattered showers.

Education Board

Continued from Page One

set up by a committee which will include teachers from the various school levels. Already some of these groups have been named.

It was indicated by the "Teachers' committee" that practically all of the city teachers will be moved to the sixth step.

The seriousness of the increasing school population was brought to the attention of the Board by Superintendent Laidlaw, who stated that next fall there would be a serious problem in some of the grades to accommodate the pupils. This is particularly true in the lower grades in the uptown schools.

Need More Room
Mr. Laidlaw said the situation was being studied now but there was a possibility that either additional school room would have to be leased or students would have to be transported to distant points where room was available.

Following this revelation of the crowded condition of the grade schools uptown, there was a discussion of the building program which has been under advisement for some time but which has been delayed because of the cost of construction and the lack of funds. It was stated that apparently there was no immediate possibility of getting public aid from a Federal fund and costs were not declining. One member stated that plans for the Wall street school building on the Sahler property were now in such shape that work could be started there on very short notice.

Plans are in such shape that we could go out and advertise bids on almost 24 hour notice," said one member.

It was also called to the attention of the Board that the Kingston Board of Education is now debt free, that the last of the school bonded indebtedness has been paid and there are no outstanding obligations.

To Re-employ Teachers

Dealing also with teachers the Teachers Committee recommended that the following probationary teachers be re-employed for the next school year as per salary schedule:

Those who have completed one year probationary service: Carlson, Ethel M., Cullum, Beatrice (continue for 48-49, if needed), Devo, Irene (depends on need), Gumaer, Harry T., Hathaway, Harold, Kram, Dolores M., Pulling, Anne, Shure, Ruth, Van Valkenburgh, Robert.

Those who have completed two years probationary service: Burke, Willard A., Cuff, Irene M., Cunningham, Russell F., DeWitt, Mildred G., Edelfelt, Roy A., Flisner, Christine H., Graves, Dorothy, Grovjan, Genevieve M., Gruber, Albert C., Lowe, Helen M., Mahalic, John A., Neiter, Anne J., Odell, Althea S., Oskay, William F., Rall, Clifford L., Schoonmaker, Charlotte J., Schwab, Theima S., Selmer, Isaac, Stocking, Elizabeth D., Walker, M. Carolyn, Young, Mary J.

The following teachers, having completed three years probationary service, are recommended for tenure, as per salary schedule: Dingee, Frieda H., Foster, Holland, Moller, Rose H., McMan, Jeanne D., Polhemus, Mary E., Schwenk, Marlon E., VanGunsbeck, Dorothy E., Welner, Mary F.

A petition was received signed by 12 janitors and engineers in the school system asking for a maximum increase of \$100 in salary, bringing the maximum for janitors to \$2,700 a year and slightly higher for engineers. In the communication the men called attention to the long hours they work in winter time and when schools are in session. The increase they asked would give them an hourly wage of about \$1.10 an hour, it was stated. Since the matter is one for making up next year's budget it was referred to the Building Committee to consult with the Finance Committee.

Elizabeth Voelker of 100 St. James street, one of three certified by the Municipal Civil Service Commission for the position of janitor, was appointed to the position. The other two names on the list were Mary M. Van Buren of 425 Hasbrouck avenue and Ethel Furman of 203 Abeel street. Five appointments for the position of janitor at a salary of \$1,850 were made by the board from the list supplied by the Municipal Civil Service Commission. Those appointed were James J. Kilroy of 549 Delaware avenue; Michael A. Debrosky of 430 Hasbrouck avenue, both disabled veterans; and Peter J. Wisniewski of 42 Ravine street, George Letus of 176 Wilbur avenue, William J. Keating of 43 Brewster street, all veterans. The other two names certified were

Brooklyn Keglers Grab Singles and Doubles Lead

Brooklyn keglers who have been making gradual inroads among the leaders in the New York State bowling championships, snared first place in both the gross singles and doubles divisions at the Freddie Fitzsimmons lanes last night.

Carmine Vasta recorded a 221-188-217 effort which coupled with a 123 handicap, gave him a total score of 749, displacing Mike Calandara of Brooklyn who posted a 744 the previous evening.

In the doubles, Sol Raitano and Jack Stiller, also of Brooklyn, turned in a 1349 tally that included a 75-pin handicap to take the lead away from Mike Gollano and Chester Walsh of Rochester.

There were no changes in the five-man standings.

Saugerties 'Vet' To Attend Derby, Gets Box Seat

New York, April 30 (AP)—Six wounded veterans went to Louisville today to watch tomorrow's Kentucky Derby from box seats—the guests of a Pennsylvania business man who couldn't get there himself.

The veterans flew to Cincinnati. From there they will go to Louisville by car. All are from the St. Albans Naval Hospital here.

The trip was arranged through also reported. The total amount for the year received was \$415,891.44 from which was deducted for teachers retirement fund \$65,114.64, leaving a net balance of \$350,776.80. This money was anticipated in the school budget when the estimate was placed at \$338,188.71. Actual money received exceeded the estimated amount by \$12,588.09.

The monthly attendance report was filed by Superintendent Laidlaw as was the F.D.A. School Lunch Program reports. It was stated the school lunch program is now in the "black" where last year it ran into a \$15,000 deficit. Much of this is due to better planning, closer buying and the receipt of a large quantity of surplus foods from government sources.

It was brought to the attention of the Board that beginning September 1949, under the present school system, admissions to the first grade would be made only through the kindergarten. This will mean that all pupils will first have to attend the kindergarten which has now become an integrated part of the school system, or in reality become the first step in the educational program. It has been found that pupils who enter grade schools without having first been to kindergarten are not able to cope with those who have had the earlier training.

The Board then adjourned.

Winfield Reports Governor's Action Started by Group

A measure recently signed by Governor Thomas E. Dewey which provides local option in covering municipal employees with unemployment insurance was the direct result of a recommendation made last October by Ulster county civil service employees. A Foster Winfield, president of Ulster Chapter of the Civil Service Employees, said today.

Winfield said that he, as a delegate from the Ulster chapter to the convention of the Civil Service Employees Association, introduced the following resolution at the convention.

"Resolved, that a bill be referred to the State Legislature amending the present law whereby state employees are now eligible for unemployment insurance so that all local municipalities, counties and cities shall entitle their employees to unemployment insurance also."

The proposal was referred to the laws and rules committee of the association, which reported favorably.

The bill was then drafted by the Association with the cooperation of the Division of Unemployment Insurance. Passed by the 1948 Legislature, the bill is now Chapter 844 of the Laws of 1948.

As enacted the bill is "permissive." That is, municipalities may put it in effect if they wish; they are not compelled to.

Reds Block Action

Lake Success, April 30 (AP)—Russia's Communist Party tonight blocked a Security Council investigation into Moscow's role in the Communist coup in Czechoslovakia. After arguing for nearly two hours over how to avoid a 24th Soviet veto, the council adjourned until next Thursday without voting.

Orville Morrison, 38, Glen Riddle, Pa., business man. He was unable to attend and offered his box through Secretary of the Navy John L. Sullivan.

The veterans are: Joseph Duccer, 27, of Pensacola, Fla.; Donald R. Sullivan, 26, of (22 Main St.) Saugerties, N. Y.; Steven P. Wilcox, 20, of Springfield, Mass.; N. Y.; Robert R. McGurgen, 25, of New York City; Bernard C. Lussis, 27, of Bristol, Conn.; and Jim S. Lawson of Louisville, who, although he lives in the Derby City, never has seen the big race.

Board Honors Feeney

Arthur J. Laidlaw, superintendent of Kingston schools, acquires the Hamilton wrist watch given to Bernard A. Feeney, retiring member of the Board of Education, by employees of the board Thursday night. Feeney's term will expire May 4. He has served on the board for 15 years and was appointed by Mayor Eugene B. Carey. (Freeman Photo)

1,484 New Paltz Residents X-rayed

Final figures in the chest X-ray survey carried on in the township of New Paltz during the past few days show that 1,484 citizens took advantage of the chest X-ray program.

The X-ray unit of the New York State Department of Health which takes the X-rays has been moved to Kingston where the students and faculty of St. Ursula Academy at Marygrove will be X-rayed today. With this project completed, all the high schools of Ulster county have been covered in the annual X-ray program.

New York, April 30 (AP)—Commander Harry Manning, skipper of the transatlantic liner America since late 1946, will receive an indefinite vacation because of illness. United States Lines officials said yesterday that Manning will

Feeney Presented With Watch, Gift Of Board Employees

Bernard A. Feeney, whose term as a member of the Board of Education expires next month, was presented with a Hamilton wrist watch by the employees of the Board of Education last evening.

Joseph F. Bradley, chairman of a committee of four representing the employees of the Board, made the presentation with Rose Helen Moller, Harold J. Bunting and Ralph Case Murphy as members of the committee.

In presenting the gift to President Feeney, Bradley said "this committee of four has been selected to represent the employees of the Board of Education. In consideration for your many years of faithful, unselfish and impartial service as a member of the Board of Education, and as its president for the past four years, we wish to present to you this gift as a token of our esteem and appreciation."

Feeney, who has served as a member of the board for 15 years, having first been appointed by Mayor Eugene B. Carey and later appointed by Mayor Heiselman and Mayor Kichuth, has served four years as president of the board.

In replying to the committee Feeney thanked them and said he was so "taken by surprise" that all he could say was "I just can't thank you, that's all." He said he had enjoyed being "among such good people" and said he had always tried to be "fair and square" to everyone.

Following the presentation by the committee, which also included a scroll containing the names of the employees, members of the board also extended to President Feeney their personal congratulations and expressions of esteem for the manner in which he had served the city as a member of the board.

Bovine Tuberculosis Reduced in State

There is a 50 per cent reduction in the number of cases of bovine tuberculosis in New York State, according to a report from the State Department of Health, Albany, N. Y., April 30 (AP)—The report, which is the first of its kind, shows that the number of cases of bovine tuberculosis in New York State has been reduced to 1,644 from 3,288 in 1947. The reduction is due to the fact that the State Department of Health has been successful in its campaign to eradicate the disease. The report also shows that the number of cases of bovine tuberculosis in New York State has been reduced to 1,644 from 3,288 in 1947. The reduction is due to the fact that the State Department of Health has been successful in its campaign to eradicate the disease.

As evidence of the need for constant vigilance, during the fiscal year ended April 1, the State Department of Health reported that the number of cases of bovine tuberculosis in New York State has been reduced to 1,644 from 3,288 in 1947. The reduction is due to the fact that the State Department of Health has been successful in its campaign to eradicate the disease.

Burglars Search Is Fatal to Youngster

New York, April 30 (AP)—The body of a 13-year-old boy, apparently killed in a plunge down an apartment building, was found at a private school, where a search for a burglar had been going on for several days.

low and saw the body, identified as that of David Manzanel. A superintendent at the Little Brown Schoolhouse, 15 East 11th Street, chased three boys who were running the roof of the schoolhouse. They fled to the roof and disappeared. Police theorized the Manzanel boy lost his grip and fell while trying to escape from the roof of the three-story building by sliding down a drainpipe. Small articles stolen from the school were found in the boy's pockets, police said.

Will Probe 'Hot Pier'
New York, April 30 (AP)—Police today probed into conditions at a so-called "hot pier" on New York's sprawling waterfront in an effort to solve the killing of a 30-year-old boss stevedore. The victim, Thomas Collentine, was wounded fatally by a gunman yesterday as he left his uptown Manhattan apartment for work at Pier 92 where he was hiring foreman. The pier at the end of 52nd street on the Hudson river reportedly has been a hotbed of trouble in recent months. It has figured in two of four waterfront slayings.
Great Consumption
Mineral experts say the United States has used 97 per cent of its chromium, 70 per cent of its bauxite, 60 percent of its copper and petroleum and 65 per cent of its zinc.
